A great new location where women can find a temporary place to call home while taking advantage of Jordan’s workforce development, training and supportive services.

Thanks to supporters like you we’ve been able to expand our services to include our newest location in the Cleveland Heights community. Now we’re offering our partners, friends and associates the opportunity to take part in our house warming celebration by adding your company’s name to our newest home for women who are overcoming the impacts of human trafficking, substance abuse and incarceration. Introducing Jordan’s Adopt-a-Room initiative. Pick a room and donate to the Jordan-Imani (Recovery Housing Facility) where we’ll place a custom plaque inside our new home with your company’s name to commemorate your caring, generosity and support.
